Excerpts From The Avenues

By GENE EPPLER

The old question of boosting the city tax on Golden Gate Fields admissions was before the City Council again Monday night. Councilman Raymond Cleary made a motion to raise the rate from 2½ to 10 per cent, but the motion died for lack of a second.

Cleary said, "The race track is taking a lot more money out of town than it is bringing in. They don't pay enough taxes, and the city is entitled to more."

Councilman Frank Graeber replied: "I'd hate to shoot the goose that lays the golden egg."

Officer Dave Perkins was taking the Albany Police Department's new three-wheel servi-car out on the maiden cruise early Thursday morning—with chalk in hand ready to mark a potential over-parked auto—when the little black and white vehicle came to a puttering stop. He was out of gas.

Albany was left in a semi-darkness Tuesday morning and a total blackout Tuesday evening as the result of a P.G.&E. transformer explosion at Brighton and Spokane Aves. The morning shut-off occurred at 10:06 lasting for about 45 minutes while the evening repeat performance was between 6:20 and 7:30.

Reported on the sick list this week were Mrs. Grace Higgins, city treasurer; Mrs. Jack O'Leary, Mrs. George Hollfelder, Carl Johnson, and Sgt. Frank Davis of Albany Police. Sgt. Davis celebrated his (he admits 39) birthday in Albany Hospital. He went there last week for a major operation.

Now working in the Pacific Northwest are Martin Oakley, son of Mrs. Sigrd Oakley, Albany Po. (Continued on page three)

Funeral Held Thursday for Albany Girl

Funeral services were conducted 3:30 p. m. Thursday for Marjorie Jane Simmons, 15-year-old Albany High School girl who died Saturday of burns received when her clothes caught fire during a gym class at Memorial Park.

Rites were conducted from the Ellis-Olson Mortuary with the Rev. Robert L. Benefiel of Albany Community Church officiating. Vocal selections were sung by Stephen Lehman, head of the music department at Albany High School. Committal followed at Sunset View Cemetery.

Miss Simmons, daughter of Mr. and Mrs. Samuel C. Simmons, of 1105-H 6th St., was keeping score on a tennis match between other girls at the time of the accident. Police said she apparently dropped a lighted match on her highly starched linen dress which was ignited.

She suffered second and third degree burns over most of her body as the fire spread to her blouse and then to her hair. Two classmates, Sue Johnson and Beverly Beau-

MARJORIE JANE SIMONS

champ, rolled her in wet earth to extinguish the flames Police said. She was rushed to Herrick Hospital where she died 5:35 a. m. Saturday.

A native of Ft. Scott, Kansas, Miss Simmons came to California with her parents five years ago.

In addition to her parents, she is survived by a sister, Charlene, 16, and two brothers, Everett, 9, and Samuel Jr., 6. She was the granddaughter of Mr. and Mrs. Elmer Salmon of Stockton, Missouri. Mrs. Simmons is a matron at the Child Care Center in Codornices Village and the father is in the advertising business in Berkeley.

School Projects Shown at Bank

Many projects made in the wood-carving and party favor classes of the Adult Education Center are currently being displayed in the lobby of the Mechanics Bank of Albany, according to Robert G. Dennis, principal.

The bank has donated the use of their display cabinet to the Center in an effort to acquaint the public with the many educational opportunities being offered by the school. Projects from other classes will be displayed from time to time Dennis said.

The public is invited to view the exhibit during banking hours.

The first fall meeting of the Scout Mothers Club, Albany Troop No. 42, will be held at the home of Mrs. William McGimpsey, 644 San Gabriel Ave., 8 p. m. Tuesday, November 15.

Chest Drive Nears Quota

Requiem Mass Held For G. L. Borgnino

A requiem mass was celebrated at St. Jerome's Church last Saturday morning for Guiseppe L. Borgnino, a resident of Albany for the past 31 years, who died November 2 at his home, 739 Jackson St., after an illness of two months. Committal followed at St. Joseph's Mausoleum.

Mr. Borgnino, who was a native of Italy, left there in 1918 and moved to Albany. He was 63.

Husband of the late Mrs. Angelina Borgnino, he is survived by two sons, Louis J. Borgnino of Morgan Hill and Dr. Frank Borgnino of Albany, and five grand-children.

The rosary was recited Friday evening from the Ellis-Olson Mortuary.

Eagles Ready for Birthday Dance, Benefit Whist

Albany Eagles today had completed final arrangements for their anniversary dinner-dance and turkey whist party.

Saturday evening the group will celebrate their 11th year of Eagledom in Albany with a dinner-dance at Bellini's in Oakland.

The dance committee has arranged for a good band, and a maximum crowd is expected to be present to celebrate the occasion, according to Chairman George McConnell.

Dinner will be served at 7:30 p. m., followed by dancing at 9 p. m.

The Eagles are sponsoring a big turkey whist party 8 p. m. Monday at the Maccabee Hall, Kains and Marin Aves. Door prize will be a 15-pound turkey, and many other prizes will be awarded winners.

Proceeds from the event will be used to finance the annual Christmas party for Albany children.

Codornices Still Short

The Albany Community Chest fund drive today had 89 per cent of its \$10,000 quota.

At the concluding general report luncheon Tuesday at the Berkeley Y.M.C.A., workers reported \$8,902.43 collected and pledged.

Volunteers will continue to canvass in a "mop-up" campaign to assure every individual in the community an opportunity to contribute toward the support of 22 Red Feather Agencies and the USO.

Clifford C. Lockhart, Albany chairman, urged residents to mail their contributions and additional gifts to Community Chest, 2073 Allston Way, Berkeley.

Albany divisional returns are as follows: Business district, \$2,153.10; West Residential, \$1,475.78; East Residential, \$2,672.20; Western Regional Lab., \$823; City Employees, \$163.50; Albany Schools, \$1,459.10; and Organizations, \$155.25.

Codornices Village and the Naval Housing Units are short of their \$494 goal by 50 per cent. Volunteer workers today pledged to continue their efforts to bring the score more nearly to the 100 per cent mark.

Major Pat De Mingo said they have extended their campaign through December 15.

A special meeting will be held 7:30 p. m. Tuesday at the Codornices Community Center at which time the workers will map plans for the extended campaign.

Captains serving in the Village area include Mesdames Mary White, Selma Hephlinger, Marjina Pelton, Minnie De Mingo, Helen Marie Washington, Evelyn Kinkead, Toni Hampton, Dolores Bridges, Boyd H. Simmons, Helen Taylor, J. Kwailek, J. Vandergriff, Lester Happen and Peggy Ryan.

SOROPTIMIST
SCRIBBLINGS

With flags of the United Nations keynoting the Wednesday luncheon, Soroptimist were more or less serious for a change. Of course there were a few fines—mainly because the fines had failed to "exercise the franchise" Tuesday, along with Annabelle Denham's birthday.

Best wishes were sent to Grace Higgins and Martha Hollfelder who are on the sick list. Both are doing well and we hope to see them back soon.

Announcement was made of the photogenic gals who will appear on Ruby Hunter's television program next Sunday night over KPIX. What? You hadn't heard? Kay Fritz, Kay Hill, Reese Villa and Claire McGaw will make up a team of four who will "stand" a team of four men on the "Share a Charade" program. Woe betide the gals if they don't come out ahead on the evening. Listen and look Sunday.

Our own Doris Gambel Exley, who has been away, was guest of her sister, Prexy Nell Moore.

Bea Williams, chairman of the day, introduced the guest speaker, Miss Lillian Phillips, who is head of the information center for the United Nations maintained at the City of Paris in San Francisco. She spoke on the American Association for the United Nations.

The information center has processed over 640 persons, clubs, committees, etc., in the past few months, as well as two national conventions, supplying them with publications from Lake Success and the U. S. State Department.

Miss Phillips emphasized the fact that this information is not pressure group propaganda, but factual information concerning "investigations of fact, free discussion and decisions by adjustment among the representatives of the member nations."

Albany Legion Commander Le Roy Holland celebrated his 29th birthday Tuesday.

SLEEP WARM!

Electrically

PRE-WARMED BED. Turn on the electric control 15 minutes before bedtime. Snuggle into a warm, cozy bed.

JUST RIGHT—ALL NIGHT. Your choice of warmth is maintained through all changes of temperature.

WARMTH WITHOUT WEIGHT. You will sleep more comfortably because you will have just one covering instead of a heavy pile of blankets.

ONE FOR EVERY BED. You can have electric bed covering for single, double or twin beds. Double Control for double beds.

Sleeping Beauty's choice! Yes and it will be your choice too, once you have experienced luxurious sleep under electric bed covering—blanket, comforter or sheet. Never again will you wake up cold and shivering or toss about because you are too hot and uncomfortable under layers of heavy blankets. When you are kept warm electrically, you sleep in the warmth you personally like best, through all variations in weather!

With electric bed covering, you simply set a dial on an electric control and your "just right" warmth is maintained automatically. More than a million happy sleepers keep warm electrically. Why not you? It costs only a penny a night to have the sunny warmth of electric bed covering.

Albany Couple Celebrate 50th Wedding Anniversary

Friends and relatives gathered recently at the home of Mr. and Mrs. John Lizak, of 816 Curt St., to congratulate Mr. and Mrs. Emil Strick, Mrs. Lizak's parents, on the occasion of their Golden wedding anniversary.

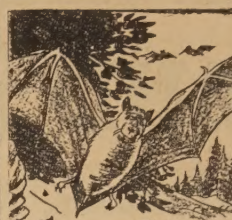

The couple, who have made their home in Albany for the past five years, were married in Midland, Mich., on October 25, 1899. Mrs. Strick is a native of Detroit, Mich., and her husband was originally from Germany. He retired 25 years ago from the Great Lakes Engineering Works.

The evening was highlighted with a telephone call to Mr. and Mrs. Albert Jacobs in Merrill, Mich., who served as best man and bridesmaid at the Strick's wedding 50 years ago.

Four daughters were present for the special celebration. Mrs. Wilfred McLain, one of the daughters, is now residing in Saudi Arabia and was unable to attend. Those who traveled here for the festivities were Mrs. Elmer Schutt of De-

troit and Mrs. Fred Mitchell and son, Clifford of St. Clair Shores, Mich. Two daughters, Mrs. Lizak and Mrs. William Freitas of Berkeley, were co-hostesses for the party. The Strick's have eight grandchildren.

WANT TO MOVE TO BEAUTIFUL LAFAYETTE?

I have a gorgeous country home located on one of Lafayette's beautiful hillside with one of the finest views in the Valley. This home has three enormous bedrooms, cabinet closets, two full baths with separate stall shower, a den, a large sunken living room with picture view down, dining room, beautiful kitchen, and an enormous rumpus room with a twelve foot built-in bar and back porch. The landscaping is out of this world. Massive ornate stone walls surround the half acre of beautifully landscaped land. Priceless shrubs and gardens all with automatic sprinkler systems add to the naryal beauty of this home.

It cost me \$52,000 just two years ago. I will sell for \$35,000 and will take a modest home here in this area down payment on a fair trade basis. Having located business here, I want to live in Albany. Maybe you will move to Beautiful Lafayette. If so let's get together.

Mr. Mrs. Miss Bowler

You love your game. It is the healthiest and happiest sport in America participates in today.

You love your score. That is when it is showing natural improvement. May we suggest the best way to make it show that improvement?

1. Practice.
2. Own your own ball.

Practice in bowling is just like baking cakes. The more you do it the easier and naturally the game improves.

Owning your own ball is just like baking a good cake in your own oven at home. You used to it. You know what to do with it. It is always ready to do your bidding without having to go on a last minute hunt for a ball which will feel reasonably good to you.

Owning your own ball will give you consistency which comes with confidence in fact that your ball fits you and that it will do just what you make it do.

We have the most modern method of "FITTING" you for a fine new Brunswick Mineralite Ball that has been invented. First we measure your actual needs on the "Brunswickometer". Then we hand you the ball that the measurements call for so that you can get the feel of it right as you are being measured. We then offer you two additional balls to try, the two being next nearest to the actual measurement that the Brunswickometer records. This leaves the actual decision to your "FEEL", not to guess. We carry a line of more than fifty different fittings of Brunswick balls. You pick it out today, and when you pick it out. No waits. No delays. No chance for errors in measurements.

Marin Dads Hear
Football Review

Clint Evans, Cal baseball coach and former 'fresh football coach, told members of the Marin Dads' Club Tuesday evening that Oregon State, still feeling slighted over last year's Rose Bowl decision, will come to Berkeley Saturday primed for revenge.

Speaking at the second regular meeting, Evans discussed football of yesterday and today. He recalled that Bert Griffin, Marin Dads' program chairman, was a "big game" sensation when he was a member of the Cal team.

Also speaking was Tommy Fitzpatrick, Bay Area representative of the West Coast Football Commissioner. As a former official, he now scouts the game officials and reports to Commissioner Ab Curtis in Los Angeles.

Fitzpatrick discussed changes in rules and answered a flood of questions.
